

# Christian County Commission

July 21, 2008

## Convene

Presiding Commissioner John Grubaugh called the meeting of the County Commission to order at 10:00 a.m. on July 21, 2008 at the County Commission Office. Attendance: John Grubaugh, Present: Bill Barnett, Present: Tom Huff, Present. County Clerk, Kay Brown was taking the minutes.

## 10:00 a.m. Werner & Associates RE: Agreement

The Commission signed a contract with Werner & Associates for the renovation project located at 202 West Elm, Ozark, Missouri.

## Motion/Vote - 10:30 a.m. Accept the Fuel Bid from Wright Express

Western Commissioner Bill Barnett made a motion to accept proposal for the fuel bid for a two year contract with Wright Express for the following Departments: Common 2 Road District, Sheriff's Department, Building Department, Building Maintenance, Recycle Department, Emergency Management and the Assessor's Office. Tom Huff seconded the motion. The motion passed by vote: John Grubaugh (Yes), Bill Barnett (Yes), Tom Huff (Yes). Those present for the meeting were Julia Maples and George Van Hoesen.

## 11:00 a.m. Ozark Clean Air Alliance Re: Program Proposal

Those present for the meeting were Robert Snook, George Van Hoesen, Cindy Bilyeu and Karen Potter of the Christian County Health Department, Donna Osborn, Christian County Headliner, David Stokely, Mayor Don Watts and Travis Coosey Director of Nixa's Planning and Zoning Department.

The Commission met with County Consultant Jim Bresee, David Woolery of Department of Natural Resources, Doug Neidigh from Ozark Clean Air Alliance, and Jeff Barber from Missouri State University and Michelle Garand of the Community Partnership for an informational meeting regarding the new EPA Ozone standards. Mr. Neidigh encouraged the Commission to attend a meeting on August 6th, so that they would receive more information to proceed with a plan to comply with the EPA mandate.

## 1:00 p.m. Great River Engineering Re: Informational Engineering Meeting

Those present for the meeting was the Commission secretary, Julia Maples.

The Commission met with County Consultant Jim Bresee, and Spencer Jones and David Jarvis of Great River Engineering to discuss several road engineering projects. Mr. Jones presented a map of Keltner Road and the surrounding area to be used as an exhibit to be presented public meeting for the property owners. If approved this project would relocate portions of the road to higher ground which would prevent road flooding. Mr. Jones also presented information on various other road issues within the county such as Route CC and Main Street in Nixa, Cheyenne Road, Tracker Road and Highway 65 to Main Street.
