Agreement - MoDOT TAP Grant Resolution

Attendees: Miranda Beadles

Late Attendee: Lacey Hart, Auditor

The Commissioners met to discuss the MoDOT TAP grant resolution presented by Chadwick Schools. This resolution expresses Christian County's application for funds and is related to the Chadwick sidewalk improvement project. Ms. Beadles said that Christian County is ultimately responsible, but they are trusting Chadwick to take care of the project. She said by agreeing to this grant we are accepting responsibility, and if something happens during the project that would drive the price up we would be responsible for paying the change order. She said that if we sign it we will need to oversee as much of the project as we can. Eastern Commissioner Sue Ann Childers moved to endorse the submittal of the transportation application for the Chadwick sidewalk improvements project.
