RE: Catholic Charities of Southern Missouri's Emergency Solutions Grant Application (ESG)
FY 2020

The Christian County Commission supports the application of Catholic Charities of Southern Missouri to the Missouri Housing Development Commission for funding the Emergency Solutions Grant (ESG) for the 2020 homeless prevention grant in Christian County.

The Christian County Commission works with many of the same clients served by Catholic Charities of Southern Missouri in a collaborative manner as well as we share resources and referrals.

Catholic Charities of Southern Missouri has been a strong provider in our County for households that have been struggling with chronic homelessness or are at risk of homelessness for several years.

I know you will consider this application on its merits, and I thank you for your prompt and thoughtful consideration of the matter.

Sincerely,

Mike Robertson
Eastern Commissioner

CONTRACT AMENDMENT NO. 1

This amendment is made to the Annual Contract for Roadway Signs & Equipment, previously executed by and between Christian County, Missouri and Newman Signs, Inc., Osburn Associates, Inc. and Vulcan Signs on January 12, 2017 with subsequent renewals on December 4, 2017 and December 20, 2018.

It is mutually understood and agreed by and between the undersigned contracting parties to amend that previously executed agreement as follows:

- Pricing to be altered based on increased price of aluminum. New costs supplied by all active vendors. Amended pricing summary is attached.

All other terms and conditions that are not hereby amended are to remain in full force and effect.

Subject: Contract Amendment - Roadway Signs Annual Contract
Attachments: Screenshot_070819_084108_AM.jpg; BID TAB - PRICE ADJ.xlsx

All:

I have an item on Thursday's agenda for an amendment to our existing annual contract for roadway signs. The vendors have been in contact with us regarding the increase in aluminum costs and that they were unable to provide materials at the same price as bid in 2016. Per our contract, we can modify the existing through a formal contract amendment (see attached). We contacted each vendor and asked them to provide their new pricing for the duration of 2019. Also attached is a summary of the proposed pricing.

While we only have 5 months left on this contract if the amendment is approved, our sign purchases are typically large and I did not want to risk exceeding our limits set by State Statute.

If you have any questions/comments, I'd be happy to answer before or at the meeting on Thursday.

Thanks,

Miranda Beadles, P.E.
