This Agent Agreement ("Agreement") is entered into by and between Rapid Financial Solutions, LLC, 3065 N 200 W Suite #200 North Logan, UT 84341 ("Processor") and:

Entity Name: Christian County

Fax: (417-581-5924)

Tax ID Number: 44-6000473

Hereinafter referred to as ("Agent").

Agent acknowledges and agrees that it is solely responsible for registering or qualifying their business, and shall obtain and maintain all necessary licenses, permits and consents to conduct its activities, in any jurisdiction that requires any such registration qualifications, license, permit or consent.

If any change in the processing services or the system are required by applicable laws, rules, regulations, or other operating rules of the applicable payment networks, Issuers or other relevant financial institution, Processor shall promptly notify Agent of such modifications or changes and make modifications or changes, as necessary to, (i) the system and/or (ii) the manner and methods used to provide the processing services hereunder, as soon as practicable after Processor has been notified of such required changes by the payment network, issuer or financial institution or learns of an applicable law, rule or regulatory change. Any such modification or change so required shall be made without the need for Agent approval and at Processor's sole expense. Processor shall use its best efforts to give Agent timely notice of all material changes to the program or system which are being made to comply with any known changes in federal or state laws, rules or regulations or the operating rules of the payment networks, issuer or other relevant financial institution.

Agent acknowledges and agrees that the system shall not be used to make or facilitate any transaction that is fraudulent or illegal in any applicable jurisdiction. Processor shall have the right to prevent anyone who may, in Processor's sole determination, violate any federal or state law, rule or regulation, or violate any operating rules from accessing the system. Processor shall have no liability to Agent for any adverse financial or other consequences that may result from any action taken pursuant to this section.

Agent agrees that the processor does not control the inputs affecting the amount that is to be paid to the recipient. Therefore, as with all financial processes, you agree to take full responsibility for the payment amount that is provided to processor, as well as audit your bank account on a regular basis.

Agent hereby authorizes Processor to ACH debit and credit the bank account at the depository financial institution named below (the "Designated Account") on a daily basis or as needed for the prior cycle of debits and credits to card accounts.

Agent agrees to maintain the Designated Account. Agent hereby authorizes Processor to withdraw funds from the Designated Account without signature or notice to initiate all offsets, deductions, and other transactions due Processor provided for in this Agreement or from the services provided pursuant to this Agreement. Agent further agrees to execute any additional documents that may be required for Processor to enforce their rights under this Agreement. Agent is solely responsible for all fees associated with maintaining the Designated Account. Processor shall notify Agent if at any time there are insufficient funds in the Designated Account to cover any amount that is due and owing to Processor. Agent shall promptly pay such amount to Processor.

This authorization is to remain in full force and effect until Processor has received written notification from Agent of its termination in such time and in such manner as to afford Processor and the depository financial institution named below a reasonable opportunity to act on it. Agent shall give Processor no less than three (3) banking business days' notice if the Designated Account is to be changed so as to allow enough time for Processor to make the necessary system modifications.

**NOTE: THIS AGREEMENT REQUIRES CERTAIN DISPUTES TO BE RESOLVED BY WAY OF BINDING ARBITRATION, RATHER THAN BY JURY TRIAL. THE TERMS OF THIS ARBITRATION WILL APPEAR AT THE END OF THIS AGREEMENT.**

Individuals can claim their full balance by visiting [cardholder.com](http://cardholder.com) or calling the number on the back of the card.

**Identifying Information.** To help the merchant verify your card and money laundering activities, federal law requires us to obtain, verify, and record information that identifies each person who registers a Card. When you request or agree to register a Card, you agree to provide us with your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents and may use resources such as credit bureaus or other means to verify your identity information.

**Using Your Card.** If you do not want to use this card, you can request a check or alternative disbursement method listed in the fee table at no cost. The card cannot be used until it has been activated. You can activate the card by calling the toll-free number on the back of the card, registering the card at the website listed on the back of the card or began transacting on the card. If we cancel or suspend your Card privileges through no fault of yours, you will be entitled to a refund of the remaining balance without interest.

**Card Expiration.** Subject to applicable law, you may use the Card only through its expiration date. The expiration date is shown on your Card. If you attempt to use the Card after the expiration date, the transactions may not be processed.

**Your Representations and Warranties.** Upon activation, you represent and warrant to us that: (i) you are a U.S. citizen or legal alien residing in one of the 50 states or the District of Columbia; (ii) the personal information that you provide to us in connection with this Card is true, correct and complete; (iii) you reviewed this Agreement and agree to its terms; (iv) you accept the Card; and (v) you will not use the Card to purchase illegal goods or services or to violate any law.

**Arbitration of Disputes.** Except as expressly provided below, any controversy that arises out of or is related to (a) the Card, (b) any services relating to the Card, or (c) this Agreement, whether based on statute, contract, tort or any other legal theory in which the aggregate amount in controversy for all claimants exceeds \$15,000, including interest and attorneys' fees, (any "Claim") will be settled on an individual basis by binding arbitration under the Federal Arbitration Act ("FAA"). Judgment on the arbitration award may be entered in any court having jurisdiction. Any dispute regarding whether a particular controversy is subject to arbitration will be decided by the arbitrator(s). If any part of the damages or other relief requested is not expressly stated as a dollar amount, the controversy will be a Claim that is subject to arbitration. You and Bank acknowledge and agree that the transactions contemplated by use of the Card, and any controversy that may arise under or relate to the Card, Card services, or this Agreement involve "commerce" as that term is defined and used in the FAA. The arbitration will be administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules (the "Arbitration Rules"). We will tell you how to contact the AAA and how to get a copy of the Arbitration Rules without cost if you ask us in writing to do so.

The Arbitration Rules permit you to request deferral or reduction of the administrative fees of arbitration if paying them would cause you a hardship. Any in-person arbitration hearing will be held in Cache County, Utah, where our employees and records of the Card are located. It is within the arbitrator's discretion to order the arbitration to take place by telephone. The arbitrator shall be a licensed attorney who has been engaged in the private practice of law continuously during the 10 years immediately preceding the arbitration or a retired judge of a court of general or appellate jurisdiction. The arbitration award shall award only such relief as a court of competent jurisdiction could properly award under applicable law, including attorneys' fees if awarded by applicable law or agreement, and may award to the prevailing party all pre- and post-judgment expenses of arbitration or status of initiation, defenses, and attorney-client and other privileges that would apply in a court proceeding. The arbitrator's award shall be deemed the commencement of an action for purposes of any applicable statute of limitations. There will be no class claims—Claims by or on behalf of other persons will not be considered in or consolidated with the arbitration proceedings between you and Bank. The Agreement does not limit the right of you or us, whether before, during or after the arbitration proceeding, to obtain provisional or ancillary remedies or injunctive or other traditionally equitable relief (other than a stay of arbitration) necessary to protect the rights or property of the party seeking relief pending the arbitrator's determination of the merits of the Claim or the Bank's exercise of self-help remedies, such as the right of set-off. The taking of any of the actions described in the preceding sentence by either party or the filing of a court action by a party shall not be deemed to be a waiver of the right to demand arbitration of any Claim asserted as a counterclaim or the like in response to any such action. This arbitration provision will survive the termination of your relationship with Bank, whether evidenced by this Agreement or otherwise. You understand, acknowledge and agree that you have read carefully this provision in which you and Bank have agreed to arbitrate disputes. This provision limits or waives certain of your rights, including the right to bring a court action and to have a jury trial; there will be no class claims in arbitration; discovery may be more limited in arbitration than in a court proceeding; the right and grounds to appeal from an arbitrator's award are more limited than in an appeal from a court judgment; and certain questions you have in a court proceeding also may not be available in arbitration.

**Questions.** If you have any questions regarding your Card, you may call us at 1-877-287-2448 or write to Customer Service, P.O. Box 6425, North Logan, Utah 84341. When you use your Card to initiate a transaction at certain merchants (e.g., gas stations, hotels, restaurants, and car rentals), the merchant may request confirmation of the Card's validity and authorization for the transaction. Note: The amount may be estimated by the merchant and may include a gratuity. You agree that we may place a temporary hold on your Card balance for the estimated amount, even if it exceeds the amount of your ultimate transaction. Any excess will be released after the transaction is finally settled through the system.

**Your Obligation for Overdrafts.** There is no overdraft/credit feature associated with this card. You agree not to conduct transactions which would cause your Card balance to become overdraft. If a merchant attempts to process a transaction for more than your Card's available balance, the transaction may be declined. If you conduct transactions in excess of your Card's available balance, you agree to pay us the overdraft amount immediately, without further demand.

**Merchant Refunds and Disputes.** Depending on the merchant, any refund for goods or services purchased with the Card may be made in the form of a credit to the Card. You are not entitled to receive a cash refund. We are not responsible for the delivery, quality, safety, legality or any other aspect of goods and services that you purchase from others with a Card. All such disputes should be addressed to the merchant from whom the goods and services were purchased.

**Foreign Transactions.** If you conduct a transaction in a currency other than U.S. dollars, the merchant, network or card association that processes the transaction may convert any related debt into U.S. dollars in accordance with its then current policies. Mastercard currently uses a conversion rate that is either: (a) selected from a range of rates available in the wholesale currency markets on one day prior to its central or transaction processing date (note: this rate may be different from the rate the association itself receives); or (b) the government-mandated rate. The conversion rate may be different from the rate in effect on the date of your transaction and the date it is posted to your Card. We may impose a charge on the transaction amount (including reversals) for each transaction that you conduct outside the United States or in a foreign currency. This charge is in addition to any applicable ATM fee. See Fees and Charges section.

Use cash advance to remove your entire card balance at no charge by visiting any Mastercard® principal financial institution. You can run your card as debit when you make a transaction and ask for cash back. Utilize the direct deposit transfer service to send funds from your card to your bank account. Check your balance online or through customer service before using an ATM to avoid an ATM decline fee. If your card is rejected at an ATM, never attempt over and over again. Some ATM providers impose a fee even for declined transactions. The card provider also imposes a fee for declined transactions. Watch gratuity as some merchants may authorize your card up to 25% more than the transaction to allow for gratuity, which can cause declined transactions and incur a POS decline fee. Update your temporary PIN before use. Call 877-287-2448. To avoid maintenance fees, use your card in a timely manner. See fee table for details. If you want to split your payment between this card and another form of payment, you must specify to the cashier the amount you would like run on the card. Be sure you know the balance on your card before you do this kind of transaction.

There are three different ways to activate your card. You can call our support center at 877-287-2448, activate your card online by visiting the website on the back of your card, or by simply swiping your card at any point of sale transaction.

### Where can I use my new card?

You can use your card wherever Mastercard® is accepted. Register online to ensure the security of your funds. Please visit the website on the back of your card for additional protection and benefits such as: Mobile Alerts, 24/7 Transaction Monitoring, Fraud Protection.

### How do I access my cash without getting charged a fee?

Use cash advance to remove your entire card balance for free by visiting any Mastercard principal financial institution. You can also run your card as debit when you make a transaction and ask for cash back.

### Do I use my card as credit or debit?

You can use your new card as either credit or debit for your transactions. Credit uses your signature on the receipt, while debit uses your Personal Identification Number (PIN) to verify the transaction. Running your card as credit will give you coverage under Mastercard's zero liability policy. For best success, run your card as credit.

### What if my purchase is larger than the amount on my card?

You should verify your balance before making a purchase. If the purchase amount exceeds your balance, the transaction will be declined. Fees are charged for declined transactions. You can notify the merchant that you would like to use multiple forms of payment, specify how much you'd like to put on your card, and then pay the difference with another card, cash or check.

### Can I reload my new card?

No, your new card cannot be reloaded, other than by the facility that provided the card, if applicable. If you wish to receive a general purpose reloadable card please visit the website on the back of your card and follow the instructions on the website.

### What if my card is lost or stolen?

Call us immediately to cancel your card. We'll send you a replacement card, with the remaining balance, minus a replacement card fee, if applicable, listed in the card fees section of the Cardholder Agreement. Our customer service number is 877-287-2448.

### How do I check my card balance?

You can check your card balance by calling our toll free number on the back of your card, or by visiting the website on the back of your card. Balance inquiries through these methods are available 24/7 at no cost.

### How do I set a PIN for my card?

You can call the number on the back of your card to reset your PIN at any time. Your Temporary PIN is provided at time of issuance. Your PIN is the access code for all pinned point-of-sale purchases.

### Will my card expire?

Yes. We encourage you to use the full value of your card, which expires as indicated on the front of the card. Once the card is expired, the card will be deactivated. If your card expires, your funds are still available, but you will need to contact us to get your card replaced. A card replacement fee will be charged when a new card is requested.

### How do I use my card at gas stations?

Do not use your card to "Pay at the Pump." The best way to use your card for gas is by seeing the attendant inside, and specifying how much you want to spend. Your card may be declined at the pump if you do not have adequate funds, which imposes a decline fee.

### How do I use my card at restaurants?

Some merchants may authorize your card up to 25% more than the transaction to allow for gratuity, which can cause declined transactions and imposes a decline fee.

### Can I use my card at an ATM?

Yes, but be aware that ATMs charge fees for use. Do not attempt over and over again if your card is declined. The card provider also imposes a fee for declines.
