The Commission met with Resource Management Director Todd Wiesehan for a work-study session on a battery energy storage system. Director Wiesehan had the Commissioners join him at the table, handed out packets of information and gave a brief description of what the storage system is. Director Wiesehan reviewed the project's proposed location, potential concerns, considerations, any public comments received thus far and reviewed a draft of conditions and requirements for the project. The Commissioners plan to have an additional study session on the topic in the future not including next week's Commission meeting (Tuesday, February 27<sup>th</sup>). Discussion was held. No action was taken.

---

The Commission had a brief discussion concerning communications. As Beth Schaller with MoDOT missed the first meeting of the day she covered a brief update regarding the Southwest District of MoDOT during communications.
