REPORT TO THE COUNTY COMMISSION

Subject: Recommended Changes to Building Inspections Department Fee Schedule

The County Commission in first and second-class counties under 64.170 RSMo is given authority to “establish a schedule of permit, license and inspection fees” for the Building Inspections Department.

The Christian County Building Code Board met on May 4, 2026, to review our current fee schedule. The Board noted increased cost of fuel, vehicle expense, technology and wages as factors which require that the Board take action in recommending changes to the permitting fee structure in order to properly fund the expense of permitting and inspection activities.

The last time our Building Inspections Department reviewed its fee structure and suggested changes to the County Commission was in 2022. At that time, we found that our fee structure was significantly behind/below what is charged by other nearby jurisdictions and at that time the Commission approved several increases to help close the gap. As you are aware, Christian County continues to be one of the fastest growing areas and the pace of construction associated with that growth has not slowed. Providing inspectors to travel throughout the County to properly perform the inspections required of the permits issued takes significantly more labor hours and equipment than our fee structure can continue to support.

For these reasons the Building Code Board is submitting to the County Commission the following recommendations for changes to the Building Inspections Department fee structure known as **Section II. Fees & Permits.**

What follows is an explanation of the recommended changes:

Residential Permits

In reviewing and comparing the fee structures of the Building Inspections Departments in our office, Ozark, Nixa and other counties, we found that each has unique features such as multipliers and impact fees which collectively contribute to the overall bottom line of total fees collected. In comparing the overall construction permitting cost for the same residential structure if it were built in either Ozark, Nixa or Christian County we found that the cost in Christian County is currently far less than our neighboring jurisdictions.

Our current structure is fairly simple with inspection fees based on calculating 35¢ per sq. ft. Because our fee calculation has few variables and we do not add on various impact fees the Board has recommended increasing the per sq. ft. charge to 50¢. The goal here was to make an adjustment

which is strong enough to correct our position versus multiple incremental increases which would continually leave the department behind.

For the sake of perspective – the amount charged for a permit only accounts for about one third of one percent (.00035) of these home values.

Recommendation: Increase the current 35¢ per sq. ft. to 50¢

Commercial Permits

The fee schedule currently refers to the International Building Code Building Valuation Table published in August of 2012 as the basis for establishing construction value. This standard is obviously outdated and impacts the department's ability to charge appropriate fees which are based upon \$3.75 per \$1000 of construction value.

Recommendation: Change all references to the IBC Building Valuation Table published in 2012 to 2024.

Accessory Buildings

This inspection fee is based upon the total square footage X 10¢. Regardless of size, our inspectors typically make multiple trips to the site wherever it may be in the County. The current minimum must be raised to cover the costs associated with making an onsite inspection.

Recommendation: Increase the per square foot charge from 10¢ to 15¢.

Manufactured Homes

Our current Manufactured Home installation inspection fee is a flat \$100. We are requesting an increase to \$200. These permits typically require at least two inspection trips to sites in outlying areas. This change will aid in covering the labor, fuel and vehicle maintenance attributable to these permits.

Recommendation: Change the fee for Manufactured Home installation inspection in item 12 from \$100 to \$200.

Swimming Pools

Swimming pool permits are more time consuming than one might expect. Multiple visits are often required in order to get homeowners and builders to comply with basic safety requirements intended to reduce injuries and fatalities to our youngest population.

We currently charge flat fees of \$60 for above grade residential pools and \$120 for below grade pools. These fees are comparatively less than neighboring communities. Increased fuel and labor costs justify an increase here to \$150 and \$300.

Recommendation: Change the permit fee for Residential Pools in item 22 to read: Residential Pool permit fee shall be \$150.00 for pools above grade classification, and \$300.00 for pools below grade classification.

Technology Fee

The cost associated with software utilized to maintain all of the County's permitting and inspection records is significant. Our annual expense for this year was \$18,500. We took note that several communities have begun to include a "technology fee" with all new permits issued. The Board agreed that instituting a \$20 fee with each permit would help to better absorb this cost.

Recommendation: Add technology fee as #3 on the list and renumber subsequent items accordingly. Item #3 should read as follows: A non-refundable \$20 technology fee shall be charged with each new permit application.

Demo Permit Inspection Fee

The current fee for a demo permit is \$50. These often require additional follow up to verify cleanup and decommissioning of utilities at the site. An increase to \$75 would be consistent with the fees charged by neighboring municipalities with much smaller geographic footprints to cover.

Recommendation: Change Demolition permit inspection fee in item 13 (becoming #14) from \$50 to \$75.

Solar Permit Inspection Fee

The current cost for a solar panel installation permit is \$40 and has been charged as a simple electrical trade permit. In order to properly account for labor and fuel expenses we would like to establish a specific charge of \$75 for this type of permit.

Recommendation: Add a new item #35 Solar Permit fee shall be \$75

In summary, the adoption of recommended fee structure changes for the Building Inspections Department would be expected to stabilize and fortify the departmental budget. These funds would be utilized to keep pace with the inflationary growth to the operational expenses for staffing, technology maintenance and equipment required to properly ensure that construction taking place within our jurisdiction meets the minimum life/safety standards our citizens deserve.

The Building Code Board respectfully requests that the County Commission approve and adopt these changes to become effective beginning July 2, 2026.

A copy of the fee structure with proposed changes is attached hereto as Exhibit "A".

14. Demolition permit inspection fee: \$75.00 flat fee.

15. New Commercial Building Permit inspection fee shall be: \$3.75 per \$1000.00 of construction value, with a \$25.00 minimum.
16. Commercial re-models, additions, tenant infill, or change of occupancy permit inspection fee shall be: \$3.75 per \$1000.00 of construction value. Construction value shall be set as 75% of valuation as established by the International Building Code Building Valuation Table published in August of 2024. All commercial re-model, addition, tenant infill, or change of occupancy permits not requiring the services of a design professional shall be: 35¢ per sq. of area remodeled, with a minimum fee of \$50.00.
17. Commercial Plan Review Fee for All Commercial Projects, shall be: 25% of Commercial Building Permit Inspection Fee, with a minimum required fee of \$35.00. When the billed third-party review expense exceeds 25% of the permit fee, the actual invoice amount will apply. In circumstances where changes to initially permitted plans require additional third-party review, a permit may be suspended until any additional review fees are paid.
18. Addendums. Plan review fee for addendums to active permitted commercial projects shall be: 5¢ per sq. ft. of affected area, with a minimum fee of \$35.00
19. Re-roof permit inspection fee. \$35.00 flat fee.
20. Sign permits. Whenever the Christian County Planning & Development Department requires a sign permit in accordance with the Christian County Planning & Zoning Regulations, such signs shall be subject to the provisions of the 2012 International Building Code, and the 2011 National Electric Code. The fee for sign permit inspections shall be: \$25.00 for the first \$1,000.00 in construction costs, plus an additional \$4.25 per \$1,000.00 of additional construction costs above the first \$1,000.00, with a minimum fee of \$25.00
21. Sign permit plan review fee shall be: \$35.00 flat fee.
22. Re-inspection fees. A re-inspection fee shall be charged after the initial reinspection, (3rd inspection) when the following occurs:
 - A. Work not ready for inspection after second scheduled attempt.
 - B. Re-inspecting previously inspected work that has not been corrected.
 - C. Job site not accessible after second scheduled attempt.

Re-inspection fee: \$150.00 flat fee. No further inspections shall be performed until the appropriate re-inspection fees have been paid.

**ORDER of the
CHRISTIAN COUNTY COMMISSION
OZARK, MISSOURI**

DATE: June 11, 2026

SUBJECT: Adoption of Amendments to the Building Codes and Regulations for Christian County, Missouri

WHEREAS, the governing body of Christian County pursuant to Section 64.170.3 of the Missouri Revised Statutes, met on May 17, 2007, and voted to submit to the voters in the unincorporated areas of Christian County, Missouri the question of whether Christian County shall have the authority to create, adopt and impose a County Building Code; and

WHEREAS, on August 7, 2007, an election was held pursuant to the County Commission's Order of May 21, 2007, and the ballot submission was approved by the voters; and

WHEREAS, pursuant to Section 64.170 of the Missouri Revised Statutes, the Christian County Commission has adopted, by order, regulations to control the construction, reconstruction, alteration or repair of any building or structure and provide for the issuance of building permits, provide for the inspection thereof and establish a schedule of permit, and inspection fees which may be amended from time to time; and

WHEREAS, on December 10, 2015, the Christian County Commission amended, by order, the Christian County Building Codes by adopting the "2012 International Building Code", "2012 International Residential Code", "2012 International Mechanical Code", "2012 International Fire Code", "2012 International Plumbing Code", "2012 International Fuel Gas Code", "2012 International Existing Building Code", "NFPA 70 National Electric Code 2009 Edition", "ICC/ANSI A 117.1-2003, 4th Printing, August 2007, and the "2012 International Electric Code Administrative Provisions" as published by the International Code Counsel, Inc. (ICC), and Uniform Administration and Enforcement Regulations ; and

NOW, THEREFORE, on this 11th day of June, 2026, at a duly called meeting of the Christian County Commission, having received the report and recommendation of the Christian County Building Code Board and, after public notice, and in open session, upon motion made by Commissioner Williams, seconded by Commissioner Jackson, the Christian County Commission did vote unanimously to, amend Section II of the Building Codes and Regulations for Christian County, Missouri, pursuant to the provisions of Chapter 64.170 through 64.180 of the Revised Statutes of Missouri.

IT IS HEREBY ORDERED that Section II FEES & PERMITS of the Building Codes and Regulations for Christian County, Missouri, is hereby amended and in lieu thereof Section II is hereby adopted and entered, a copy of which is attached hereto as "Exhibit A" and incorporated herein by this reference, a copy of the Amended Section II of the Christian County Building Codes and Regulations shall be on file in their entirety at the Christian County Building Inspections Office.

IT IS FURTHER ORDERED that the amendments to the Building Codes and Regulations for Christian County, Missouri described herein shall become effective on the 2nd day of July, 2026, and a copy of this Order shall be filed in the office of the County Clerk before 5:00 p.m. this date.

Done this 11th day of June, 2026, at 9:45 a.m.

Summary

DSI Medical Services Inc., **founded in 1991, CELEBRATING over 32 years of extensive experience of State & Federal laws outlined in the Omnibus Transportation Employee Testing Act of 1991 and The Drug-Free Workplace Act of 1988**, is a NATIONAL TPA that will provide drug & alcohol management services utilizing a HHS / SAMHSA Certified Laboratory for both initial screening and GC/MS confirmation of non-negative specimens, in order to permit CHRISTIAN COUNTY COMMISSION to meet its regulatory responsibilities under Department of Transportation (DOT) regulations including, **but not limited to, 49 CFR Parts 40, 219, 382, 383, 390-397, 399 and 655, as well as 20 CFR Part 29. Additionally, CHRISTIAN COUNTY COMMISSION's policies mandate a drug free workplace for all its employees, so DSI Medical will provide drug testing services under NON-DOT environments, with the same legal defensibility as its Federally-mandated programs.**

The HHS / SAMHSA Certified Laboratory will provide account coded chain of custody and control forms to respective CHRISTIAN COUNTY COMMISSION departments. **For walk-in clinics, DSI Medical will provide an online portal for locating and placing orders for UDS collections, BATs, and/or DOT Physicals, utilizing the ELECTRONIC chain of custody and control form.** Additionally, (if necessary) any compliant urine collection kits will accompany supply orders generated via our website by respective company contacts. **All laboratory testing will be conducted in full compliance with Federal DOT regulations, as well as for NON-DOT testing in the same fashion.**

DSI Medical will provide medical review officer (MRO) services through its contract with i-3 Medical Review Services. All MRO's are fully certified through the American Association of Medical Review Officers (AAMRO), representing accreditation in all 50 states, and are current & in compliance with Federal & State regulations.

DSI Medical will provide management oversight to the corporate substance abuse testing programs up to & including: maintenance of the random pool selections, alternate selections, result reporting following MRO review, electronic notification to DER when negative results are posted, blind specimens, litigation support packages, expert witness testimony, **MIS and management reports**, & onsite mobile collection services and/or local collection centers for CHRISTIAN COUNTY COMMISSION, for any pre-employment, random, post-accident, reasonable cause, return-to-duty, and/or follow up drug & alcohol tests annually. **Additionally, DSI will provide administrative management services, regulatory guidance, updates, & interpretation, as well as labor grievance support, and education, to help ensure compliance of your employees with your company drug testing program.**

SCOPE OF SERVICES

DSI Medical will manage the drug and alcohol testing services for CHRISTIAN COUNTY COMMISSION. Program management includes urine specimen testing at a HHS / SAMHSA laboratory under Federal & State & protocols, associated supplies for specimen collection, and overnight specimen transportation, to the laboratory from the collection site and/or mobile collector.

The HHS / SAMHSA laboratory will report all results to a designated certified Medical Review Officer (MRO) who will in conjunction with MRO staff will review all non- negative results. MRO staff will coordinate and verify receipt of the MRO copy or equivalent copy of the chain of custody and control form permitting MRO ruling and result release in an expeditious manner. Any non-negative specimen will result in the medical review officer contacting the donor and providing the opportunity for the donor to explain (and provide) medical justification for the laboratory findings. Absent medical justification the MRO will rule the test result accordingly. **DOT positive drug test result reviewed by the MRO will first be reported telephonically** to the respective designated employer representative (DER) before the result is release electronically to the confidential account and password protected DSI web site.

DSI Medical will serve as a single point of contact for any drug or alcohol test inquiries from CHRISTIAN COUNTY COMMISSION management. DSI senior management is readily available to provide regulatory guidance or interpretation to any management representative as currently is the practice. DSI will provide quarterly/monthly random drug selections to the respective district contacts. **DSI utilizes the scientifically validated i-3 program for CHRISTIAN COUNTY COMMISSION's random selections. This highly acclaimed random software program assures completerandomness of the employees selected.**

Additionally, result information will be data entered into the confidential password protected web-based account for random statistical accounting and MIS reporting. DSI Medical will provide drug test result reporting (**typically less than 24-48 hours for negatives**) via the confidential account & password DSI web site. **DSI Medical will maintain records & data collected of each donor on our server, with results accessible 24 /7 online to respective CHRISTIAN COUNTY COMMISSION contacts.**

CHRISTIAN COUNTY COMMISSION management will electronically forward an updated pool roster to our random pool administrator to load on our secure FSTP site. Alternate selections are readily available electronically should an initial random selection not be available during the selection period. Random statistical reports will be provided at any time to reflect current random statistical data and demonstrate the programs tracking for annual compliance and MIS reporting.

Deliverables

All services and supplies will be in place for CHRISTIAN COUNTY COMMISSION within the agreed upon implementation period (generally within 1 week), following approval and acceptance of DSI Medical serving as CHRISTIAN COUNTY COMMISSION's Third Party Administrator (TPA), including creating & delivery of Chain of Custody forms to designated locations, collection kits, shipping materials, etc., at NO ADDITIONAL CHARGE.

AN ACM GLOBAL COMPANY

Employee Education & Supervisor Training (If Needed)

Any training regarding DSI Medical's system utilization & functionality, location of network providers, supply order capability, or any additional needs, will be coordinated with respective CHRISTIAN COUNTY COMMISSION contacts. **Senior Management remains versed & up-to-date on Federal regulatory updates/changes & will provide guidance so that the CHRISTIAN COUNTY COMMISSION has the right tools in place to be in compliance at all times.**

DSI Medical program management training is included with our service. However, if requiring FEDERAL compliant "Reasonable Suspicion" training for supervisors and/or employees, this service is available online, and can be purchased on a "Per License" basis. DSI Medical offers this training through their online curriculums, and these trainings meet the DOT requirements in accordance with 49 CFR Part 382.603 and 382.307, as well as your company's unique needs, including, but not limited to, the following: Reasonable Suspicion, Drug & Alcohol Awareness, General Hazardous materials, driver file documentation, etc., and training is available on an "as needed" or "refresher" basis.

Random Drug Testing Selections

DSI utilizes the scientifically validated i-3 Random Selection Software program for random selection. **This highly acclaimed random software program assures complete randomness of the employees selected, for multiple pool requirements of DOT entities including: FMCSA, FRA, FTA, USCG, PHMSA, and FAA.** The selection process has withstood labor challenges including a NLRB challenge. Since the early challenges surrounding random testing, there has not been any claim whereby the selection process has been disputed.

Selections are done on a monthly or quarterly basis, dependent upon your preference. Selections are posted to our confidential password protected web site and permit client monitoring and requests for alternates. Selected donors are removed from a pending status as random tests are completed. Monitoring of your random program by DSI's staff assists in adjusting the number of employees selected to assure the clients' compliance with Federal & company random testing requirements, along with notification of all DOT selected individuals who did not complete their testing during selection period.

(In accordance with HIPAA, outside facing client portal has successfully passed numerous penetration / vulnerability and application scans. Mobile devices can also use this Symantec Encryption, however USB ports are disabled using Symantec Endpoint Protection. As well, end users are required to change password every 90 days, containing strong encryption features (with a minimum 8 characters, Upper, Lower, Number, Special Character). Users are also susceptible to being locked out after 5 unsuccessful attempts. In addition, the web portal utilizes SFAX and Protected Trust email encryption.)

Urine and/or Breath Alcohol Mobile On-Site SCHEDULED Collections

DSI Medical Services, Inc. employs a sub-contracted team of Federally-certified drug / BAT collectors whom can perform on-site collections for CHRISTIAN COUNTY COMMISSION. These collectors will be responsible for transportation of specimen to lab & necessary paperwork to DSI Medical. Mobile collectors are available by scheduled appointments for onsite collection needs.

AN ACM GLOBAL COMPANY

Urine / BAT Emergency Mobile On-Site UNSCHEDULED Accident / Suspicion Services

For any "After Hours" Emergency testing needs, DSI Medical will make available, upon calling an Emergency phone line, a team of Federally certified UDS & BAT collectors if requested:

- Our national mobile collection team, managed by Tomo Drug Testing, an affiliate of our lab partners, will be available to provide both "after hours" and during normal business hour mobile collection needs. Please see cost Quotation for charges for both "scheduled" and "unscheduled" emergency service needs.
- Per the Federal Regulations, any post-accident breath alcohol testing will be performed no more than 2 hours, to a max of 8 hours (with documentation), and drug testing no more than thirty-two (32) hours, after an accident, unless unforeseen circumstances prevent from doing so. Any additional CRST specific requests will be met to the best of our abilities.

Transition, Implementation, & Counseling

Transition & implementation will occur over a 1 - 2 week period. An initial conference call between DSI Medical & CHRISTIAN COUNTY COMMISSION management can be scheduled to establish expectations for training timelines, creation & delivery of Chain of custody forms to designated locations, proper destruction of existing Chain of custody forms, discussion of CHRISTIAN COUNTY COMMISSION's random pool management, and introduction to our website reporting system, collection site finder, billing system, etc. with your Designated Employee Representative (DER).

Litigation Support / Labor Grievance Consulting – Exclusive to DSI customers!

- DSI Medical Services will assist your company with grievance preparation and/or unemployment claims analysis and review. The following are some of the ways in which assistance and support can be given:
- Pre-case discussion highlighting strengths, weaknesses, previous decisions, and potential conflicts (if any) with collective bargaining agreement.
- Provision of support documentation for case preparation and discussions with labor representative presenting the case.
- Provision of support documentation for case preparation and discussions with Human Resource representative presenting the case for unemployment challenges.
- Review Company Substance Abuse and Testing Policies and provide input.
- Act as liaison between company and laboratory toxicologist(s) to assure that all claims are addressed in an expert opinion that can be submitted at any hearing that might occur.
- Additionally, DSI's professionals are available to clients for questions and counseling on drug and alcohol testing issues or matters.

AN ACM GLOBAL COMPANY

Billing and Recordkeeping

Test result reporting occurs immediately upon release from the medical review officer. GC/MS negative results are released and reported, **on average, 24 hours (or less) with e-mail notification** to respective DER advising new results have been posted to the confidential password protected web site (*Faxed & Email attached results available upon request*). **Positives & Refusal to Test drug test rulings are first communicated telephonically to the respective DER prior to release to the confidential password protected web site.** Immediate communication of Positive & Refusal to Test results is also made for breath alcohol testing.

All services are invoiced monthly, VIA 1 SIMPLE INVOICE!!! Billing can be itemized / subtotaled per CHRISTIAN COUNTY COMMISSION location for tracking convenience. Acceptable payments include: Net 15, Net 30, or Credit Card accepted. Invoices will be billed inclusive of Lab costs, MRO services, UDS & BAT collection fees, and Physicals when placing orders online through the ONE Portal. Mobile / Emergency fees, online training course licenses, and onsite services will be billed in arrears of services performed.

Record Keeping / Data Collection

DSI Medical Services Website, **accessible 24/7**, www.dsimed.com

- Immediate release of negative results available in MRO ruling format to the confidential website following your Medical Review Officer's review, typically less than 24 hours.
- **Ability to locate & coordinate with additional local or out-of-area collection sites to facilitate DOT and/or Non-DOT drug testing.**
- Ability to retrieve rulings electronically securely and forward to designated company locations via e-mail.
- **Access to current year and previous 4 years of results (non-negative) available at your convenience and retrievable according to your company's requirements.**
- E-mail OR Secure Faxed Result (fax # provided by customer) to the designated employer representative (DER) every time a new result is posted to the web site.
- E-mail notification to the DER, along with a call to collection site during normal business hours of 9am-6pm Monday – Friday, for every pending result that cannot be released due to the MRO not receiving the MRO copy of the chain of custody form.
- The ability to print your company's individual MRO rulings (secure encrypted data) based on your selection criteria e.g. by date, by test reason, by DOT vs. Non –DOT.
- Customized Reports to facilitate your program management (Random Testing Monitoring).

HHS/SAMHSA LAB: ALERE TOXICOLOGY LABORATORIES

- Alere Toxicology Services, 1111 Newton St, Gretna LA 70053, 504-361-8989
- Alere Toxicology Services, 450 Southlake Blvd, Richmond VA 23236, 804-378-9130

All Alere Toxicology Laboratory procedures are documented in their Standard Operating Procedure Manual. As a SAMHSA / HHS certified laboratory this manual is reviewed, and all actions are scrutinized to assure strict compliance with the SOPs every six months by independent inspectors assigned by SAMHSA. Chain of Custody procedures are included in every aspect of the drug testing, from the time a kit is received by an Alere employee until it's disposal, be that a day later as in the case of a negative specimen, or a year later, should the specimen be positive. Alere's quality assurance program includes both internal and external "blind specimen" submission. Alere Toxicology surpasses required quality assurance measures through outside contracts for constant submission of blind proficiency specimens.

In accordance with Department of Health and Human Services Regulations (Mandatory Guidelines for Federal Workplace Drug Testing Programs) will be performed in the following manner:

- Each specimen is accessioned upon arrival at Alere Toxicology Labs. A series of bar-coded numbers is applied to the specimen, as well as all accompanying documentation. After accessioning, each "primary" specimen is sampled for the initial testing. During the aliquoting process, each specimen is observed for signs of adulteration or tampering.
- Immunoassay screening via the EMIT method is performed on all urine specimens. For those companies performing DOT required testing, the initial screening is for marijuana, cocaine, phencyclidine, opiates/opioids, amphetamines, 6-AM, and MDMA, MDA. Cutoff levels utilized in the screening are as follows --

DRUG CLASS	INITIAL TEST LEVEL	CONFIRMATORY TEST LEVEL
AMPHETAMINES	500 ng/mL	
Amphetamine		250 ng/mL
Methamphetamine		250 ng/mL
COCAINE METABOLITES	150 ng/mL	100 ng/mL
MARIJUANA METABOLITES	50 ng/mL	15 ng/mL
MDA-ANALOGUES	500 ng/mL	
MDA		250 ng/mL
MDMA		250 ng/mL
OPIATES	2000 ng/mL	
Morphine		2000 ng/mL
Codeine		2000 ng/mL
OPIATES (SEMI-SYNTHETIC)	300 ng/mL	
Hydromorphone		100 ng/mL
Hydrocodone		100 ng/mL
6-ACETYLMORPHINE	10 ng/mL	10 ng/mL
OXYCODONES	100 ng/mL	
Oxymorphone		100 ng/mL
Oxycodone		100 ng/mL
PHENCYCLIDINE	25 ng/mL	25 ng/mL

AN ACM GLOBAL COMPANY

- During the EMIT process each specimen is analyzed for CREATININE (a non-protein nitrogenous constituted of normal urine) to check for dilution of the specimen; Specific Gravity is performed on those specimens with a low creatinine measure, pH, and oxidizing adulterants. Additionally, any specimen identified by the laboratory as “suspicious” is subjected to testing for a wide variety of adulterants.
- Results on those specimens testing Negative via immunoassay screening are released from the laboratory to the Medical Review Officer. In the case of specimens testing “positive” via immunoassay screening, a second aliquot of the primary specimen is taken to confirmatory testing utilizing Gas Chromatography/Mass Spectrometry. Specimens reported Positive via GC/MS must be at or above the following cutoff levels –
- Additionally, Methamphetamine positives must contain a minimum of 200 ng/mL Amphetamine (Methamphetamine metabolite). Specimens confirmed Positive via GC/MS would be reported as positive to the Medical Review Officer.
- A Non-DOT lookalike panel will be made available to order for Non-Federal testing needs. Cutoffs will mirror exactly as listed for the DOT cutoff levels & procedures.

Alere Toxicology laboratories has scientifically validated procedures in place to perform testing for “d” and “l” (amphetamine) isomer testing. This test is performed upon written request from the Medical Review Officer, and at NO ADDITIONAL CHARGE to the client. These procedures are scrutinized during audits and have been found to provide the forensic quantum-of-proof necessary for any challenges during litigation.

QUALITY ASSURANCE: Data handling procedures are dictated by SAMHSA / HHS to be highly secure at every step. Additionally, accession numbers applied to each specimen and accompanying documentation are bar coded for the data entry process. A multi-level review within the laboratory is carried out by accessioners, analysts and a certifying scientist prior to any (positive or negative) results being released from the lab. Restricted access to each program, within the computer system only, permits only approved and authorized laboratory personnel to enter results, and provides yet additional protection within the data entry/data handling process. All of these procedures, combined with their multi-level review, assure 100% accuracy 100% of the time.

QUALITY ASSURANCE: SAMHSA and the U.S. Department of Transportation mandate that specimens testing positive be maintained in locked freezer storage for one year. Alere Toxicology maintains a highly secure area within an extremely limited access area for this purpose. Freezer temperatures are examined and documented on a daily basis, and procedures are in place should a problem be identified. Chain of Custody forms for each specimen stored are maintained with the specimens during the analysis procedure and then filed in a secure manner acceptable to SAMHSA / HHS regulations. The current system of storage is highly expandable, and more than adequate to meet the needs of future contracts.

DEPARTMENT OF TRANSPORTATION BIDDER REQUIREMENTS

Please know that the bidder must comply with 49 CFR Part 382 <https://www.ecfr.gov/current/title-49/subtitle-B/chapter-III/subchapter-B/part-382?toc=1>, updated 3/13/23 to include queries.

Will your company make sure Christian County is compliant with federal motor carrier safety regulations (FMCSR) 40CFR Part 382? **(circle one) Yes or No** See summary below.

Per 382.301 **Pre-employment testing** prior to the first time a driver performs safety-sensitive functions for an employer, the driver shall undergo testing for controlled substances as a condition prior to being used. No employer shall allow a driver, who the employer intends to hire or use, to perform safety-sensitive functions unless the employer has received a controlled substances test result from the MRO or C/TPA (consortium third party administrator) indicating a verified negative test for the driver.

Per 382.303 **Post-accident testing**. As soon as practicable following an occurrence involving a commercial motor vehicle operating on a public road in commerce, each employer shall test for alcohol for each of its surviving drivers. (See DOT rules for more specifics).

Per 382.305 **Random testing**. Every employer shall comply with the requirements of this section. Every driver shall submit to random alcohol and controlled substance testing as required in this section. The minimum annual percentage rate for random alcohol testing shall be 10 percent of the average number of driver positions. The minimum annual percentage rate for random controlled substances testing shall be 50 percent of the average number of driver positions. Christian County averages 180 employees.

DOT and non-DOT testing pools must be completely separated. Everyone in the pool must have an equal chance of being selected and tested including point of contact personnel. A scientifically valid method of selecting employees for testing must be used. **Selections can be by employee name, identifying title, or other employee assigned number.** Indicate what type of selection process your company uses. *Pseudo-random number generator (PRNG) known as a dual-phase linear congruential algorithm (LCA)*
Note: Random testing must be spread through the year in a non-predictable pattern.

Per 382.307 **Reasonable suspicion testing**. An employer shall require a driver to submit to an alcohol test when the employer has reasonable suspicion to believe that the driver has violated the prohibitions concerning alcohol. The employer's determination that reasonable suspicion exists to require the driver to undergo an alcohol test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, and speech or body odors of the driver. An employer shall require a driver to submit to a controlled substance test when the employer has reasonable suspicion to believe that the driver has violated the prohibitions concerning controlled substances. The employer's determination that reasonable suspicion exists to require the driver to undergo substances test must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the driver. The observations may include indications of the chronic and withdrawal effects of controlled substances.

382.309 **Return-to-duty testing** and 382.311 **Follow-up testing**. The requirements for return-to-duty and follow-up testing must be performed in accordance with 49-CFR part 40, Subpart O. Please refer to DOT regulations 382.301 for complete terminology of each of the above.

IMPORTANT: Christian county wishes to designate awarded contractor as a C/TPA to report violations and conduct queries on the county's behalf.

Note: Christian County will purchase the queries. *- There is an additional fee for our firm to "conduct" queries on County's behalf. Reporting violations to Clearinghouse is no additional charge.*

(20) Declaration:

The vendor hereby declares understanding, agreement, and certification of compliance to provide the items and/or services, at the prices quoted, in accordance with all terms and conditions, requirements, and specifications of this original invitation to bid. The vendor further agrees that upon receipt of an authorized purchase order from the Christian County Commission or when a Notice of Award is signed and issued by the Commission, a binding contract shall exist between the vendor and Christian County. TO PROSPECTIVE BIDDERS: The original Invitation to Bid documents remain in full force and effect except as revised by the following changes which take precedence over anything to the contrary in the Bidding Event document

PLEASE ENTER ADDITIONAL COSTS IN THE TABLE BELOW

Description of Drug Screen	Qty	Price
Collections		
7. On-site Non-D.O.T. lab testing	1	\$ 55.00
8. Office Non-D.O.T. lab testing	1	\$ 45.00

The following are questions submitted by prospective bidders and the official response from Christian County.

Q1: Who is your current TPA/provider(s) managing this drug testing program & SAMHSA LAB conducting the urine testing?

A1: The current TPA is KT Health Clinic, they choose the lab.

Q2: Which offsite clinics do you use for collections, and who is your onsite mobile collector? How often do onsite collections occur? Are these onsite collections for scheduled quarterly randoms, or for emergency collections primarily? If scheduled onsite, how many specimens are typically collected?

A2: KT Health is the current offsite clinic; they provide someone to come for onsite testing. Onsite collections occur quarterly for randoms, and as needed for reasonable suspension. Randoms average about 25 tests. /quarter

Q3: How / Where might we obtain the current contract / pricing for these services being requested, or you could provide the current price sheet from the current contract?

A3: We are currently working under the contract we made with TOX Review (who sold to KT Health in January of this year.) Current pricing is as follows:

On-site D.O.T. urine analysis	\$35.00
Office D.O.T. urine analysis	\$30.00

On-site Non D.O.T. Testing	\$20.00
Office Non D.O.T. Testing	\$15.00
On-site breath alcohol analysis	\$20.00
Office breath alcohol analysis	\$15.00
On-site Non-D.O.T. Lab Testing	\$30.00
Office Non-D.O.T. Lab Testing	\$25.00

Q4: How often do you test for K2 Spice (aka Synthetic cannabinoids)? Are these tests done using its own special urine panel, when needed

A4: Unknown.

Q5: Why is this bid being solicited? Has all renewal options expired, or has there been an interruption with the service?

A5: **TOX Review was located in Ozark, KT Health took over the contract but is a long distance for County employees.**

Q6: If given the ability, what would the City change moving forward with the next Contract, to raise the service level even higher than it is now? In other words, do you have a "wish list" of any additional services/features/expectations moving forward?

A6: I'm unsure what the City would like to do, but the County isn't looking for additional services but wants customer service.

Q7: On page 8, it identifies the requested services you would like prices for, but it lists a quantity of "1". Historically, how many of these collections have been performed on a monthly or yearly basis, for each service requested?

A7: **In 2022 we spent approximately two thousand dollars for employee drug screening services.**

All else remains the same.

7 List account number(s) here (optional)

8 Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.
