The renewal will ensure consistent, professional branding of the Sheriff's Office on County vehicles, enhancing our visibility. The renewal will begin September 12, 2026, through September 11, 2027.

Cost: No Increase in Pricing (there was no increase last year either).

ADDENDUM NUMBER 01 INVITATION TO BID #2024-12 GRAPHICS FOR FLEET VEHICLES 8/23/24

TO PROSPECTIVE BIDDERS: The original Invitation to Bid documents remain in full force and effect except as revised by the following changes, which take precedence over anything to the contrary in the Bidding Event document.

ADDED:

The Christian County Sheriff's Office anticipates transporting the vehicle(s) to the awarded bidder's location for the service. The awarded bidder will take every precaution possible to keep the

vehicles protected. The Christian County Sheriff's Office reserves the right to inspect the prospective awarded bidder's facility before award. If, for any reason, the Sheriff's Office finds that the facility cannot provide adequate protection for the vehicles, this may result in disqualification.

Please note that a poor/negative reference may result in disqualification.

The following are questions submitted by a prospective bidder and the official response from Christian County.

Questions from Blink Marketing, Inc.

Question 1: What is the completion timeline for the work?

Answer 1: Due to the importance of these vehicles being on the road, time is of the essence. Our current contract completion time is approximately half a day for the cars and a full day for the SUVs/Trucks.

Question 2: What is the service location where all the vehicles will be available to be treated?

Answer 2: Christian County does not have a location conducive to this work. The Sheriff's Office anticipates transporting the vehicles to the **awarded bidder's location** for the service. At the bottom of the Events Detail page, it reads, "Note: Prospective bidders should be located within a **25-mile radius** of the Christian County Sheriff's Office." The Sheriff's Office is located at 110 W. Elm Street, Ozark, MO.

Question 3: Are there any existing graphics to be removed from any of the vehicles?

Answer 3: No

Question 4: Are there only 8 vehicles to be treated for the entire contract term?

Answer 4: No, there are eight (8) vehicle types/models with possible multiple quantities of each throughout the year. The intent of this bid is to provide a one-year contract with options to renew to wrap the Sheriff's Office vehicles with the specifications provided. The Sheriff's Office reserves the right to add new vehicles/models not listed on this bid as they add to the fleet.

Question 5: Can you please provide artwork for the graphics?

Answer 5: The specifications for the artwork are on this bid. Only the awarded bidder will receive the artwork for the graphics from the Sheriff's Office.

All else remains the same.
