CAPITAL

WHO WE ARE & HOW WE GOT HERE

As a third-generation family-owned business, Capital has become an industry leader through strategic growth and successful project delivery. Our vertically integrated team of companies work together to optimize solutions and provide the best results. Our unique business model allows our team of over 2000 employees to deliver safe projects, from material production to project completion.

In the late 1940's Elliott Farmer Sr. created a clear vision in the Ready Mix and Asphalt business with Farmer's Concrete, Cole County Industries and Jefferson Asphalt. When his sons, Bud and Mike Farmer, entered the business world in the early 1970's they maintained the foundation of family first. They continued to grow from that vision through vertical integration and expansion into other complimentary industries.

Farmer Companies now employs more than 1700 people.

The Farmer Companies' footprint continues to grow into multiple markets and multiple states under the leadership of the third generation of the Farmer family. Their commitment to the companies' core values, their employees, and their customers presents a clear path forward.

The Farmer family continued to grow in the 1990's with the acquisition of asphalt producers, Master-Jackson Asphalt / Daystar Asphaltic Cement Terminal (Springfield, MO) and Richardson Bass Asphalt (Columbia, MO), along with Central Bridge (Columbia, MO). In 1998, the assets were acquired by Ashland Corporation (APAC), which was then the largest asphalt producer in the United States. Between 1998 and 2016, Richardson Bass Asphalt and Central Bridge were consolidated and operated under APAC Central Missouri, headquartered in Columbia, MO. In 2016, the Farmer family re-acquired the asphalt, construction, and quarry operations of APAC Central Missouri and Capital Paving & Construction was formed.

Capital Paving and Construction's leadership team has carried on the core values of the Farmer Companies since the founding in 2016. Our team has fostered an environment of safety, quality, integrity, and innovation, all while strategically growing the business. Since the founding in 2016, Capital Paving and Construction has continued to expand into new markets. We have taken on new assets through acquisitions, purchasing of new plants and quarries, and investing in great people. Capital is now operating all over the Midwest and beyond. We are committed to improving the infrastructure of our nation, and will continue to grow strategically, holding true to our core values.

**ARTICLE I
PURPOSE AND AUTHORITY**

The parties to this agreement are the Department of Homeland Security (DHS) and the CAPITAL PAVING & CONSTRUCTION LLC (Employer). The purpose of this agreement is to set forth terms and conditions which the Employer will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

**ARTICLE II
RESPONSIBILITIES**

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:
 - a. Notice of E-Verify Participation
 - b. Notice of Right to Work
2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.
3. The Employer agrees to grant E-Verify access only to current employees who need E-Verify access. Employers must promptly terminate an employee's E-Verify access if the employer is separated from the company or no longer needs access to E-Verify.
