Mr. Davidson,

The Christian County Commission's Purchasing Department notified you, via email, on June 3, 2025, that you were the lowest-priced vendor for ITB #2025-6 Tree Trimming and Removal Services, County Rights of Way. In that email, we requested the following required documents before proceeding:

- Required Certificate of Liability Insurance
- Required E-Verify Affidavit for Contracts Over \$5,000.00 (US)

The purchasing department made a follow-up call on 6/4/25 to ensure you received the email; you acknowledged that you did receive it. At that time, you told the purchasing department that Pilgrims Tree Service was a small company, and that insurance might be a concern, but you were going to see what you could do. Please note that the insurance requirements were attached to the original ITB.

We have not heard from you as of today, June 10, 2025, so we reached out to follow up. You told our Purchasing Assistant, Janeen Milner, that you are short-staffed and cannot do this job now. Since Pilgrim's cannot comply with these requirements, we will have no choice but to acknowledge you as non-compliant and issue the bid to the next lowest bidder.

Sincerely,

Kimberly E. Hopkins-Will
Purchasing Manager
Christian County, Missouri Government
