Tokio Marine HCC Public Risk APPLICATION DECLARATION

After complete investigation and inquiry, to the best of applicant's knowledge and belief, no principals, partners, directors, officers, employees, or insurance managers have knowledge of any act, error, omission, fact, incident, situation, unresolved job dispute, accident, or any other circumstance that is or could be the basis for a claim under this proposed insurance policy.

Report knowledge of all such incidents to your current carrier prior to your current policy expiration. The proposed insurance being applied for will not respond to incidents about which you had knowledge prior to the effective date of the policy nor will coverage apply to any claim or circumstance identified or that should have been identified in this application.

The applicant has read the foregoing and understands that completion of this Application does not bind the Underwriter or other party to provide coverage. It is agreed, however, that this Application is complete and correct to the best of applicant's knowledge and belief and that all particulars which may have a bearing upon acceptability as an insurance risk have been revealed. It is understood that this Application shall form the basis of the contract should the Underwriter approve coverage and should the applicant be satisfied with the Underwriter's quotation.

It is further agreed that, if in the time between submission of this Application and the requested date for coverage to be effective, the applicant becomes aware of any information which would change the answers furnished in response to any question of this Application, such information shall be revealed immediately in writing to the Underwriter.
