

Frazier Request: Add parking restrictions to Order 96-06-28-1

1. Is Order 96-06-28-1 enforceable and/or appropriate?
 - a. Yes: Move on to Item 2.
 - b. No: We should rescind and then move to Item 2.
2. Are parking restrictions required to be in the form of an Order?
 - a. Yes: Move on to Item 3.
 - b. No: Do we want to create something unnecessary?
 - i. Yes: Move on to Item 3.
 - ii. No: End Here

(Thoughts for Item 2: Can the CCSO enforce regulatory signs not part of an Order? Can CCPA enforce the same? What part of these restrictions becomes more enforceable within an Order?)

3. Language for new Order to be drafted should include:
 - a. Reference to all regulatory signs in the County? Or only No Parking on Canyon Rd?
 - b. Other?
