Re: Sole Source Letter for iCounty Technologies iRecord Management System (RMS) and Maintenance

Attention: Kelly Hall

This letter is to inform the Christian County Recorder's Office that iCounty Technologies is the sole source provider of the iRecord RMS software suite and maintenance for the iRecord RMS software suite.

As part of iCounty contract dated April 7th, 2014, between iCounty and Christian County, Missouri for the purchase of the iCounty iRecord RMS software suite, iCounty will bill Christian County annually for ongoing maintenance and support.

Sincerely,

A handwritten signature in black ink, appearing to read "David A. Mudd". The signature is stylized with a large, sweeping initial "D" and "M".
