**RE: IGA WITH BILLINGS FOR INSPECTION SERVICES**

This agenda item involves the approval and execution of an Intergovernmental Agreement (IGA) between the County and the City of Billings wherein our Building Inspections staff will be issuing building permits and performing the inspections for construction within the city limits.

The County has had similar, ongoing agreements in place with the City of Fremont Hills and the Village of Saddlebrooke for many years.

This agreement would renew automatically each year for a period of three years, after which a new IGA would need to be signed.

The agreement itself has been approved by our County Counsel and the City has provided us with copies having already been signed by the Mayor.

I do not expect this agreement to add a large number of additional permitted projects to the department workload and feel that we have the bandwidth to handle the additional work.

Regards,

A handwritten signature in blue ink that reads "Todd M. Wiesehan". The signature is written in a cursive style with a large, stylized 'T' at the beginning.

Todd M. Wiesehan, Director
