Adoption Resolution - Christian County Hazard Mitigation Plan

Jamie Orlando

Please consider signing the adoption resolution which demonstrates commitment to the Hazard Mitigation Planning process and protecting Christian County from hazards. This request does not require any additional financial commitment from the commission. It does request support in the form of signing the resolution. I have attached the plan, which is a result of the planning process, and also the resolution which is necessary to move further in the process. If you need any additional information in order to make a decision regarding this, please don't hesitate to reach out. Thanks!
