100 West Church St, Room 100

Ozark, MO 65721

Consultant Contract for Traffic Engineering Assistance Program (TEAP) Grant

Miranda Beadles

Christian County was awarded a \$12,000 grant from MoDOT under the Traffic Engineering Assistance Program (TEAP). The project included using our current software to collect data on signage throughout Christian County. This includes location, condition, reflectivity, need, spacing, etc. This adds to our ability to maintain signage as well as providing safe direction to travelers on County roadways.
