Adoption Resolution - Christian County Hazard Mitigation Plan

Emergency Management

Attached is an adoption resolution template for Christian County's adoption of the Hazard Mitigation Plan update. We need either proof of adoption or proof of intent to adopt in order to submit the plan to FEMA. Participation in this plan helps to make us eligible for a multitude of mitigation grants through FEMA.

To fulfil this requirement, we may choose to adopt it at this time or we may write an email stating intent to adopt the plan once it is FEMA-approved.
